

Certificate of Warranty Simply Stainless

This letter confirms that Simply Stainless is manufactured and supplied from new Stainless Steel material, 1.2 mm thickness of tops and undershelves. All legs and disc feet are made from Stainless Steel and manufactured according to Australian and International Standards.

We purchase product from a factory which manufactures exclusively for Simply Stainless and has ISO9001 Accreditation.

All materials used were new and purchased for the manufacture and construction of the Simply Stainless system.

All benches have been tested to provide stable operational work platforms. All load bearing information has been tested and signed off and this is available on request.

Simply Stainless carries a Lifetime Warranty.

PLEASE NOTE, CHLORINE IS A CORROSIVE CHEMICAL FOR ALL TYPES OF STAINLESS STEEL AND ANY USE OF CHLORINE OR CLEANING PRODUCT THAT HAS CHLORINE IN IT WILL AUTOMATICALLY VOID ANY WARRANTY

Warranty applies when:

- You are the original end-user purchaser with proof of your purchase
- The product failed due to our workmanship or any defect in the materials

Warranty does not cover:

- Fair wear and tear
- Accidental damage, misuse, improper care, alterations or acts of nature
- Any consequential, indirect or incidental losses
- Improper installation (by contractors beyond the control of Simply Stainless) or storage
- Corrosive substances or acids that are used on the product
- Material defects as a result of corrosive environment
- Corrosion or rust as a result of using any substance that has Chlorine

What we will do:

- Replace the product with the same or its superseded model in the carton (not installed)
- Pay for the freight to your nearest Distributor
